2022-2023 Report

& **Kent ISD**

Kent ISD is honored to partner with our local schools to provide enhanced and equitable opportunities to enrich the experiences and achievements of our learners.

We provide essential services, collaborative initiatives and valuable learning for students and educators. All this, in turn, helps districts devote more dollars directly to classrooms. The following is a snapshot of some of the many ways we supported education across our districts in the 2022-23 school year and specifically in Grand Rapids Public Schools.
