Ellison Die Cut Catalog

Kent ISD 

Educational Service Center
2930 Knapp NE
Grand Rapids, MI 49525

Introduction

REMC8 is proud to offer a selection of more than 1,500 dies and 11 die presses in our Ellison Die Cut Room, housed inside the Kent ISD Educator Resource Center. This resource is open to any educator working in a Kent, Ionia, or Montcalm school.

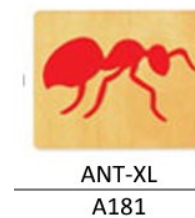

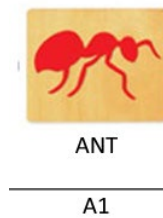

This catalog organizes dies housed in the REMC 8 Ellison Die Cut Room by broad categories, with each die being assigned a letter and number code. These categories and codes correspond to a label on each die housed in the Ellison Room. For example, our Beaver die is listed in the catalog under the “Animals” heading and labeled with code A5. To find this die in the Ellison Room, you would look for the area labeled “Animals” and find die A5.

ANIMALS	
 BATS-TINY	 BEAVER
A4	A5

The Ellison Room has several different sizes of dies that may be used with different sized die presses. Most dies fall into one of two categories:

Standard (4 7/8" w x 5 7/8" h)

Extra Large (9 2/4" w x 11 3/4" h)

Most visitors bring their own materials to use with the die cuts. REMC8 also has materials available for purchase. While the most commonly used material is construction paper, other materials may be used with the die cuts, too. Anything scissors can cut can be cut with a die!
